

Shears for KEVLAR® fibers

95
03

- > only for cutting fibers of KEVLAR® in optical fiber cables, not recommended for other materials
- > precision ground blades with serration prevent the fibers from slipping and guarantees a clean cut
- > riveted precision joint, for low-friction movement and smooth and even cutting of the thin KEVLAR® fibers
- > hard chrome plated, ground surface
- > shears body: chrome vanadium electric steel, oil-hardened
- > user-friendly handles: plastic, impact-resistant
